

Lean on me

Sometimes in our lives
We all have pain
We all have sorrow
But if we are wise
We know that there's always tomorrow

Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on

Please swallow your pride
If I have things you need to borrow
For no one can fill those of your needs
That you won't let show

You just call on me brother, when you need a
hand (Chorus)
We all need somebody to lean on
I just might have a problem that you'd
understand
We all need somebody to lean on

**Second Verse
(Chorus)**

If there is a load you have to bear
That you can't carry
I'm right up the road
I'll share your load
If you just call me
(Chorus)
Call me (if you need a friend)
Call me (call me)
Call me (if you need a friend)
Call me (if you ever need a friend)
Call me (call me)
Call me
Call me (if you need A friend)

Ain't no Mountain high enough

Listen, Lord
Ain't no mountain high
Ain't no vally low
Ain't no river wide enough, Lord
If you need me, call me
No matter where you are
No matter how far
Just call my name
I'll be there in a hurry
You don't have to worry

'Cause Lord,
There ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you

Remember the day
I set you free
I told you
You could always count on me
From that day on I made a vow
I'll be there when you want me
Some way, somehow

'Cause Lord,
There ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you

No wind, no rain
My love is alive
Way down in my heart
Although we are miles apart
If you ever need a helping hand
I'll be there on the double
As fast as I can

Don't you know that
There ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you (X2)
