

Friend of the Young and the Poor

1. You were the light in the dark for the young who could not see.

And you were a spark for the young to become all they could be.

Help us all come to be all God calls us to be.

Refrain:

We will send the message. We will be the witnesses that you, Don Bosco, are the friend of the young and the poor.
Lead us safely through the storm to the heavenly shore.

2. You felt the fire in the heart of the Lord who burns with love.

And you touched the heart of the young with that fire from above.

Touch our hearts with that fire, make our God our desire.
