

We Could Change The World^u

Could we live like Your grace is stronger

Than all our faults and failures?

Could we live like Your love

Is deeper than our hearts can fathom

Could we live like this?

Could we live like Your name is higher

Than every other power?

Could we live like Your ways

Are wiser than our understanding?

Could we live like this?

Could we live like this?

[Chorus]

Yes, our God is all He says, all He says He is

Jesus, in Your name we could change the world

We stand in Your love, in Your power

And all You say we are

Jesus, in Your name we could change the world

We believe that Your grace is stronger

Than all our faults and failures

We believe that Your love

Is deeper than our hearts can fathom

So could we live like this

And shine in all the world

Could we live like this?

[Chorus]

Yes, our God is all He says, all He says He is

Jesus, in Your name we could change the world

We stand in Your love, in Your power

And all You say we are

Jesus, in Your name we could change the world

We're saying, "yes, Lord, yes, Lord!"

What else could we say, what else could we say?

We're saying, "yes, Lord, yes, Lord!"

We're going all the way, we're going all the way

We're going to live like this

Yes, our God is all He says, all He says He is

Yes, our God is all He says, all He says He is

[Chorus]

Yes, our God is all He says, all He says He is

Jesus, in Your name we could change the world

We stand in Your love, in Your power

And all You say we are

Jesus, in Your name we could change the world

We're going to live like this

Jesus, in Your name we could change the world

We believe, we believe

Jesus, in Your name we could change the world
